Attainment Targets (statutory)

There are two attainment targets in RE; good and outstanding RE will achieve a close relationship and a balance between these targets over a unit of work.

AT1 – Learning about religion and belief

Enquiring into, investigating and understanding religions and beliefs. This includes thinking about and interpreting religious beliefs, teachings, sources, practices, ways of life and ways of expressing meaning with reference to the specific beliefs and religions studied.

AT2 – Learning from religion and belief

Questioning, exploring, reflecting upon and interpreting human experience in the light of religions and beliefs studied. This includes communicating reflections, responses and evaluations about questions of identity, belonging, diversity, meaning, purpose, truth, values and commitments, making increasingly insightful links to the specific religions studied.

Schedules for measuring assessment (statements) are in the supporting materials.
