

# SEIS - Art

WE KNOW WHAT  
ART IS in EYFS

I can create closed shapes using different mark making tools.

I can explore chalk, charcoal, graded pencils, felt tips and wax crayons to represent ideas.

I can use my hands, feet and different resources to print with.

I can begin to talk about moulding, rolling squeezing and pushing when using clay or salt dough.

I can use resources safely and effectively.

I can tell you I am using a paintbrush to mix and stir paint.

I can begin to understand 3D.

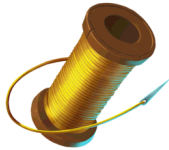

I can use mixed media to combine and make.

I am beginning to safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. I will share my creation explaining the process I have used. I will make use of props and materials when role playing characters in narratives and stories.

I can mix the colour green from yellow and blue and I can make skin tones.

I can share and critique artwork/creations explaining the processes used.

I can rip, cut, fold and join paper using glue.

## Golden Thread

Experiment, Explore, Design, Create, Critique, and Explain

**Sticky Knowledge** – resources, materials, comparing, skills, techniques
